

DBR0119 Multi-Adjustable Bench

DISCOVERY™ SERIES BENCHES & RACKS

Like every piece of equipment in our Discovery™ Series Benches & Racks Line, the DBR0119 Multi-Adjustable Bench adds value to your facility by combining essential performance and durability with thoughtful design to deliver an exerciser experience that feels natural.

Strong and bold, the Discovery Series Multi-Adjustable Bench is a staple of every fitness space. Heavy-duty materials combined with an in-line design provide maximum strength, stability, and longevity.

Strength equipment is a long-term investment and with the Discovery Series from Precor, you can make your strength purchase decision with confidence. With a full range of products that are approachable and intuitive, perform for exercisers of all ability levels, and will withstand the test of time, the Discovery Series is the straightforward strength solution you've been looking for.

Multi-Adjustable Bench DISCOVERY™ SERIES BENCHES & RACKS

Product Features

1. Sturdy

Heavy-duty materials combined with an in-line adjustment design along the main frame spine optimize strength and durability.

2. Easy-to-Use Adjustments

The intuitive multi-angle positioning allows for a variety of lifting movements.

3. Ergonomically Designed

The ergonomically designed seat and back pad width and construction optimizes support, comfort, and freedom of movement for an exceptional exerciser experience.

4. Easily Movable

Covered wheels and a padded handle make the Multi-Adjustable Bench easy to move, and rubber feet ensure that the bench will stay in place when it is put back down.

5. Wear Guards

Replaceable wear guards on the rear stabilizer leg help protect the frame and provide a non-slip surface for spotters.
