

DSL0315 Rotary Torso DISCOVERY™ SERIES SELECTORIZED LINE

Like every piece of equipment in our Discovery™ Series Selectorized Line, the DSL0315 Rotary Torso adds value to your facility by combining essential performance and durability with thoughtful design to deliver an exerciser experience that feels natural.

The seat ratcheting system on the Discovery Series Selectorized Rotary Torso easily adjusts the start position so exercisers can move efficiently into their workout. The positioning of the arm, seat, and back pads secure the exerciser and maximize oblique muscle engagement.

Strength equipment is a long-term investment and with the Discovery Series from Precor, you can make your strength purchase decision with confidence. With a full range of products that are approachable and intuitive, perform for exercisers of all ability levels, and will withstand the test of time, the Discovery Series is the straightforward strength solution you've been looking for.

DSL0315 Rotary Torso

DISCOVERY™ SERIES SELECTORIZED LINE

Product Features

1. Multi-Directional

No workout is complete if only one side of the body is exercised. The DSL0315 Rotary Torso provides resistance for rotation in both directions, providing a complete oblique workout.

2. Seat Positioning

The arm, seat, and back pad position secures the exerciser and maximizes oblique muscle engagement.

3. Start Position Adjustment

The ratcheting, gas-assisted seat adjustment features a large, ergonomic, over-molded rubber adjustment handle, making it easy and comfortable for exercisers to adjust the start position.

4. Weight Tower, Shroud, and Weight Stack

The open and inviting design allows exercisers to easily access the weight stack selector pin and add-on weight lever. The 5 lb / 2.3 kg add-on weight can be engaged with a simple flip of the lever to increase the load. The shroud cap is secured with three fasteners for easy access and maintenance, and the smaller diameter cables are flexible enough to stand up to the rigors of the facility floor.

5. Instructional Placard

Easy-to-understand, large, text-free illustrations demonstrate correct form at a glance and a QR code links to a helpful 30-second instructional video.

SPECIFICATIONS
