

## DSL0504 Lateral Raise

DISCOVERY™ SERIES SELECTORIZED LINE

Like every piece of equipment in our Discovery™ Series Selectorized Line, the DSL0504 Lateral Raise adds value to your facility by combining essential performance and durability with thoughtful design to deliver an exerciser experience that feels natural.

A gas-assisted seat helps exercisers using the Discovery Series Selectorized Lateral Raise to easily align their shoulder joints to the pivot and deliver a smooth, targeted movement. Inward-facing orientation, padded arms, and fixed handles allow for easy exerciser positioning and ensure smooth interaction between the exerciser and the equipment.

Strength equipment is a long-term investment and with the Discovery Series from Precor, you can make your strength purchase decision with confidence. With a full range of products that are approachable and intuitive, perform for exercisers of all ability levels, and will withstand the test of time, the Discovery Series is the straightforward strength solution you've been looking for.

# DSL0504 Lateral Raise

DISCOVERY™ SERIES SELECTORIZED LINE

## Product Features

### 1. Padded Arms and Fixed Handles

Padded arms and fixed handles make it easy for exercisers to get into the right position for the workout and allow for a smooth interaction between the exerciser and the equipment.

### 2. Ratcheting Seat Adjustment

The ratcheting, gas-assisted seat adjustment features a large, ergonomic, over-molded rubber adjustment handle, making it easy and comfortable for exercisers to get the right fit.

### 3. Weight Tower, Shroud, and Weight Stack

The open and inviting design allows exercisers to easily access the weight stack selector pin and add-on weight lever. The 5 lb / 2.3 kg add-on weight can be engaged with a simple flip of the lever to increase the load. The shroud cap is secured with three fasteners for easy access and maintenance, and the smaller diameter cables are flexible enough to stand up to the rigors of the facility floor.

### 4. Instructional Placard

Easy-to-understand, large, text-free illustrations demonstrate correct form at a glance and a QR code links to a helpful 30-second instructional video.
